

experiences, family, encounters, gender, race, sexuality, nationality, class, place

What would I change? What would I get rid of? What has changed in me?
What do I want to stay the same about me? How do I want to be remembered?

Changeable?

Private?

Public?

How am I different when people are around?

Self-chosen?

What parts of who I am are things I have chosen and which are things I cannot control?
Just the way things are?

growing - potential - complicated - interesting - alive - changing - built

Who am I?

How do I see myself?

How do others see me?

My most important beliefs?

I demonstrate these when I ...

What has shaped me? How?

What events and people have made you who you are?

Who has shaped me?
How?

character, ambitions, commitments, destiny, hope, image, body, skills, desires, fears, memories, origin, choices, likes, relationships, attitudes
